Are you interested in helping at a working bee?

Working bees are held from 9 am to 11 am, usually on the third Sunday each month, except January. Bush care and weeding are frequent activities. The heavy jobs, including construction, are done by Council staff. The Friends do the lighter work of bush care, weeding and planting.

You are invited to join our working bees at any time. Wear sensible protective clothing, boots and gloves. The Park has a variety of terrain, and can be wet underfoot. Gloves are provided for people using herbicide (swabbing the stumps of woody weeds).

To receive reminder notices for the working bees, or to find out more about them, send an email to bobjames@chariot.net.au
